DISCHARGE OR LAYOFF OF EMPLOYEES

Discharge of employees for cause, ability or work performance shall not be influenced by an employee's race, color, creed, sex or national origin. When discharging an employee for cause, notation shall be made on the employee's work record with the company. Layoff of employees due to lack of work shall be based solely on need, work performance and work ability.

EMPLOYMENT OF MINORS

Due to generally hazardous working conditions of mining and special conditions of employment under state law, no minor under eighteen (18) years of age shall be employed by our company for production work.

PHYSICAL REQUIREMENTS FOR EMPLOYMENT

While it is not practical in mining work to require pre-employment physical examination, it shall be our company policy due to strenuous and hazardous conditions of mining work and not wishing to further aggravate physical ailments, not to hire persons with known serious ailments such as heart conditions, bad backs, epilepsy, hernia or other such ailments.
